WHAT ARMA CAN OFFER YOU

- Are you new to the field of records and information management?
- Have you been tasked with creating a corporate-wide file plan or retention schedule?
- Is the cost of your data storage spiraling out of control with no end in sight?
- Are you buried by e-discovery requests and the cost to produce records for litigation?
- Are you concerned about protecting records in the event of a disaster or other business interruption?
- Are you in a highly regulated industry and need help making sense of regulations like HIPAA, Sarbanes-Oxley, or FACTA?
- Is your organization's e-mail becoming unmanageable?

ARMA International and the ARMA Madison Chapter can help you find answers to these questions and help you develop solutions to your records and information management problems.

WHO WE ARE

The Madison ARMA Chapter was incorporated in 1978 and promotes the records and information management profession both locally and statewide.

Our membership consists of individuals from a variety of organizations including state and local government agencies, utilities, insurance companies, law firms, and educational institutions, as well as records and information management vendor companies.

OUR MISSION

Our Mission is to promote and advance the professional competence of our members to enable them to provide records and information management leadership and expertise within their organizations and their communities.
